Please read this document. It limits the legal rights of a minor (18 years or younger) who is injured in any way on the FlowRider amusement ride. By signing this Arbitration Agreement, you acknowledge that it contains a legally binding agreement to arbitrate disputes and that you have read the Agreement and agree to its terms.

_____ **1. (←Initials) INTRODUCTION TO THE FLOWRIDER, OUR DYNAMIC INDOOR SURFING MACHINE**

The FlowRider is a dynamic and exciting water amusement ride which simulates the experience of riding an ocean wave. The FlowRider is a body-active participatory sport where the rider "rides" a flowing sheet of water using a Bodyboard or a specially designed Flowboard. Riders should observe the ride and read all posted instructions and warnings before participating in the FlowRider. Riders must be in good physical condition and free from any physical limitations to participate. Pregnant women and persons with a history of heart, back, neck, shoulder or joint problems should not ride the FlowRider.

_____ **2. (←Initials) RISKS ASSOCIATED WITH USING THE FLOWRIDER**

The FlowRider was designed by the manufacturer with the safety of the rider as a primary concern, but as an interactive participatory sport, there are risks associated with its usage. Although many before you have ridden the FlowRider without any problem whatsoever, injuries are possible because of the nature of the ride.

a. You may unavoidably achieve body positions that result in personal injury during your participation and riding may result in the flow of water picking you up and pitching you head over heel into a subsurface that is covered by foam or matting. The tricks, stunts or body positions that you may attempt (or inadvertently achieve) will be based on your real physical abilities and skill level. There is a risk of self-inflicted injury or injury caused by others that can result from such tricks, stunts or body positions.

b. You may sustain injury as a result of slipping on or striking surrounding ride elements, including the ride bottom, flow fence divider, support structures, ride vehicles, containment walls, entering or exit riders, ride attendants or other ride components. Since the attraction and the ride vehicles may contain fiberglass, plastic, wood, or other potentially hardened substances, your contact with them may also cause injury.

_____ **3. (←Initials) CAN YOU MAKE A CLAIM FOR MONEY DAMAGES IF YOUR MINOR CHILD IS INJURED?**

If your minor child is injured and you want to make a claim, you must file a demand before the American Arbitration Association (AAA). The AAA is an independent agency which resolves disputes fairly and without favoritism. SAHARA SAM'S OASIS LLC & H2O ENTERTAINMENT GROUP LLC cannot select who will be the single arbitrator to decide the dispute. The address of the Association is 220 Davidson Avenue, Somerset, New Jersey 08873, Tel. (732) 560-9560. You agree that any dispute between you and Sahara Sam's will be decided by the AAA and that the Arbitration Hearing will take place in Camden County, New Jersey. You are not required to hire a lawyer to make your claim. If you hire your own lawyer, you must pay your own lawyer. If you or SAHARA SAM'S OASIS LLC & H2O ENTERTAINMENT GROUP LLC does not follow the requirements of this document, then you or SAHARA SAM'S OASIS LLC & H2O ENTERTAINMENT GROUP LLC may be required to pay the other's attorney's fees.
